

Soham Pujari

Pre- Final Year Btech Student, VIT-AP.

Pune, Maharashtra
(+91) 8803279999
sppujari07@gmail.com

SUMMARY

Soham, an energetic and ambitious 20-year-old, embodies a diverse cultural background. He is pursuing a degree in Computer Science and Engineering at Vellore Institute of Technology, Amaravati, with a clear vision to become a Software Engineer. In addition to his academic pursuits, Soham showcases exceptional leadership skills, evident in his appointment to various lead positions within university clubs. Alongside his passion for computer science, he possesses strong skills as a web developer. While not particularly drawn to sports, he actively engages in literature and cultural activities, further enhancing his well-rounded personality. His sociable nature allows him to connect with people from all walks of life, fostering meaningful relationships and promoting inclusivity.
